

P6 Variation Tutorial

1. How to add Variation Assignment

This option allows variation from a single deliverable to be automatically calculated, when you click a deliverable which has variation(s) the assignment menu will show additional drop down and buttons

Activity Assignments

Activity: P&ID - Issued for Construction

Variations: Select Variation then click Assign Variation %

Append Variation %

Percentage: 100.00%

Variation Name	Approved Units
010 - Degrussa Bag Breaker	23.00

The variation drop down shows all variation for the deliverable

Activity Assignments

Activity: P&ID - Issued for Construction

Variations: Select Variation then click Assign Variation %

Append Variation %

Percentage: 100.00%

Variation Name	Approved Units
010 - Degrussa Bag Breaker	23.00

After selecting a variation click “Append Variation %” to assign the variation % on top of what has already been assigned

Activity Assignments

Activity: P&ID - Issued for Construction

Variations: 010 - Degrussa Bag Breaker

Append Variation %

Percentage: 100.00%

+ Append current variation %

For example, when we click “Append Variation %” for this variation when nothing has been assigned to an activity yet it’ll show 18.7% (Selected variation hours divided by selected deliverable total hours)

Activity Assignments

Activity: 60% Design Review - Crushing

Variations: 010 - Degrussa Bag Breaker

Append Variation %

Percentage: 18.70%

+ Add Variation

Cancel

But when 0 to 20% for this deliverable has already been assigned to A1020 and we click “Append Variation %”. It’ll append 18.7% on top of what has already been assigned, in this case 20%, so we end up with 38.7% for this assignment

2. Validation Around Variation Assignments

When a variation has already been assigned for the deliverable and “Append Variation %” is clicked it’ll show this message

However if there’s a change in total units for the deliverable the variation % is no longer valid. This message will be shown

The old assignment with outdated % can be removed as follows

Primary Title	Secondary Title	Comments	Status	Resource	Budget Hours	Variation Hours	Total Hours
Horsco Bag Breaker Calculation					0	0	0
Horsco Bag Breaker Calculation					0	0	0
Design Management					500	0	500
